

# Keeping Their Game Alive...

**Patrick McGovern**

**Ryan Stevens**

Dear Sir/Madam,

We are writing this letter on behalf of the McGovern and Stevens families as we prepare for the **3<sup>rd</sup> Annual Patrick McGovern & Ryan Stevens Memorial Basketball Tournament**. The first two tournaments were a great success thanks to the kindness and generosity of our sponsors and supporters. Our goal of establishing memorial scholarships in our sons' names and *keeping their game alive* has been achieved with great success. As a result, in the past two years we have awarded \$9,000 in scholarships to the St. Peter Marian High School graduates, in memory of Patrick and Ryan.

This event is more than just a basketball tournament and fund-raiser; it is an opportunity for all to come together to have fun and to celebrate life, love and friendship, while remembering two very special young men in our lives.

With your support, we hope to have another great basketball tournament and community event that will be enjoyed by many. The proceeds will provide scholarships to college bound students for many years to come.

We would appreciate any donation including gift items or certificates to benefit this event. Your kind generosity and support will be gratefully acknowledged.
